ⓘ Navigated to the home page on the website.

00:13:58 | Screenshot • Comment

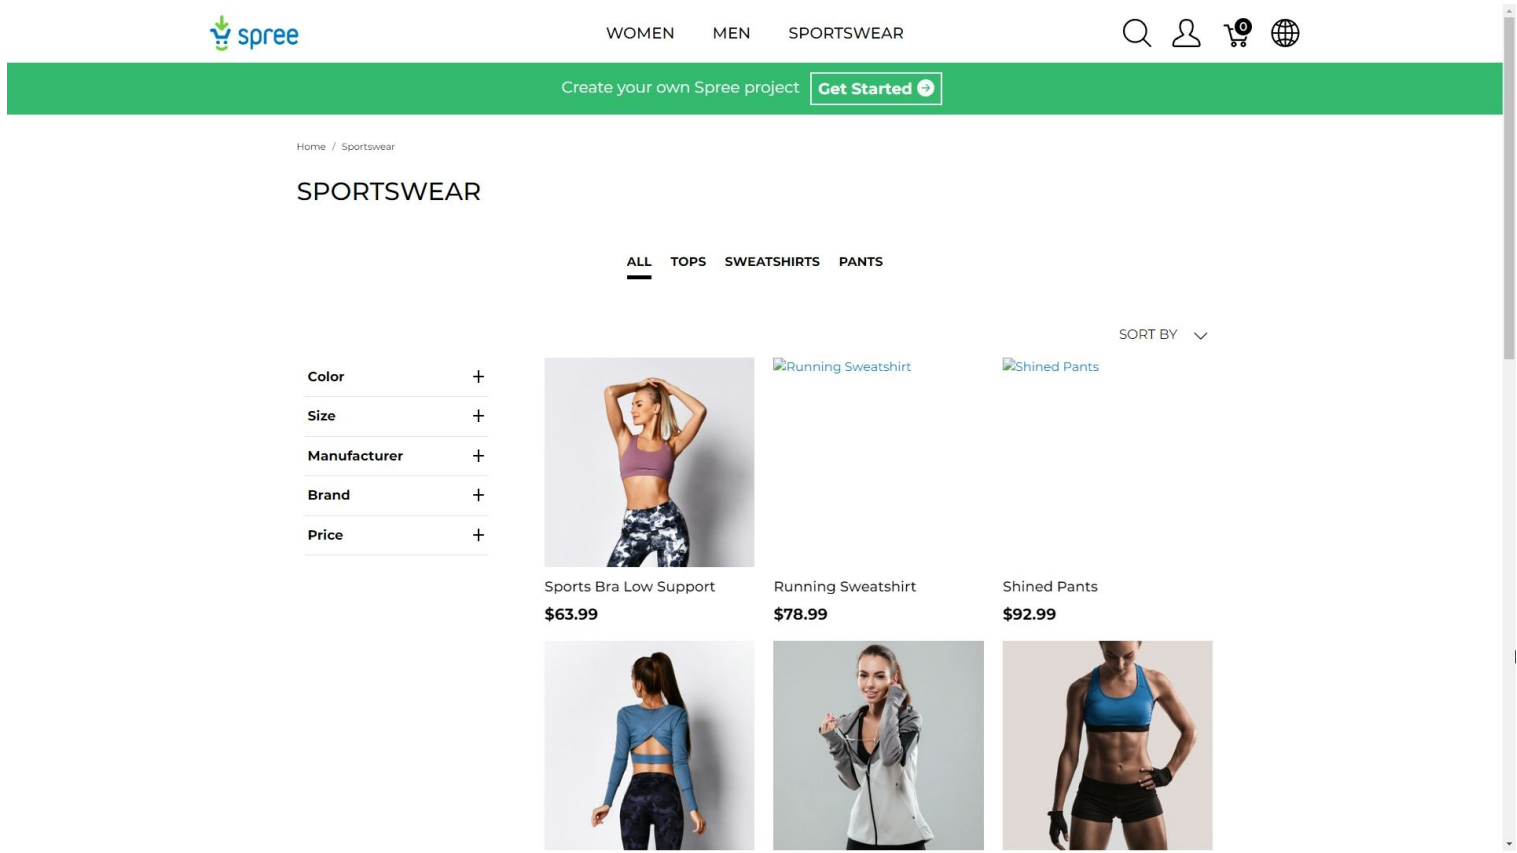

ⓘ I click on the women category as a guest user. It can be seen that some of the products have a broken picture. Floral Wrap Dress, Asymmetric Sweater With Wide Sleeves and so on.

00:15:58 | Screenshot • Comment

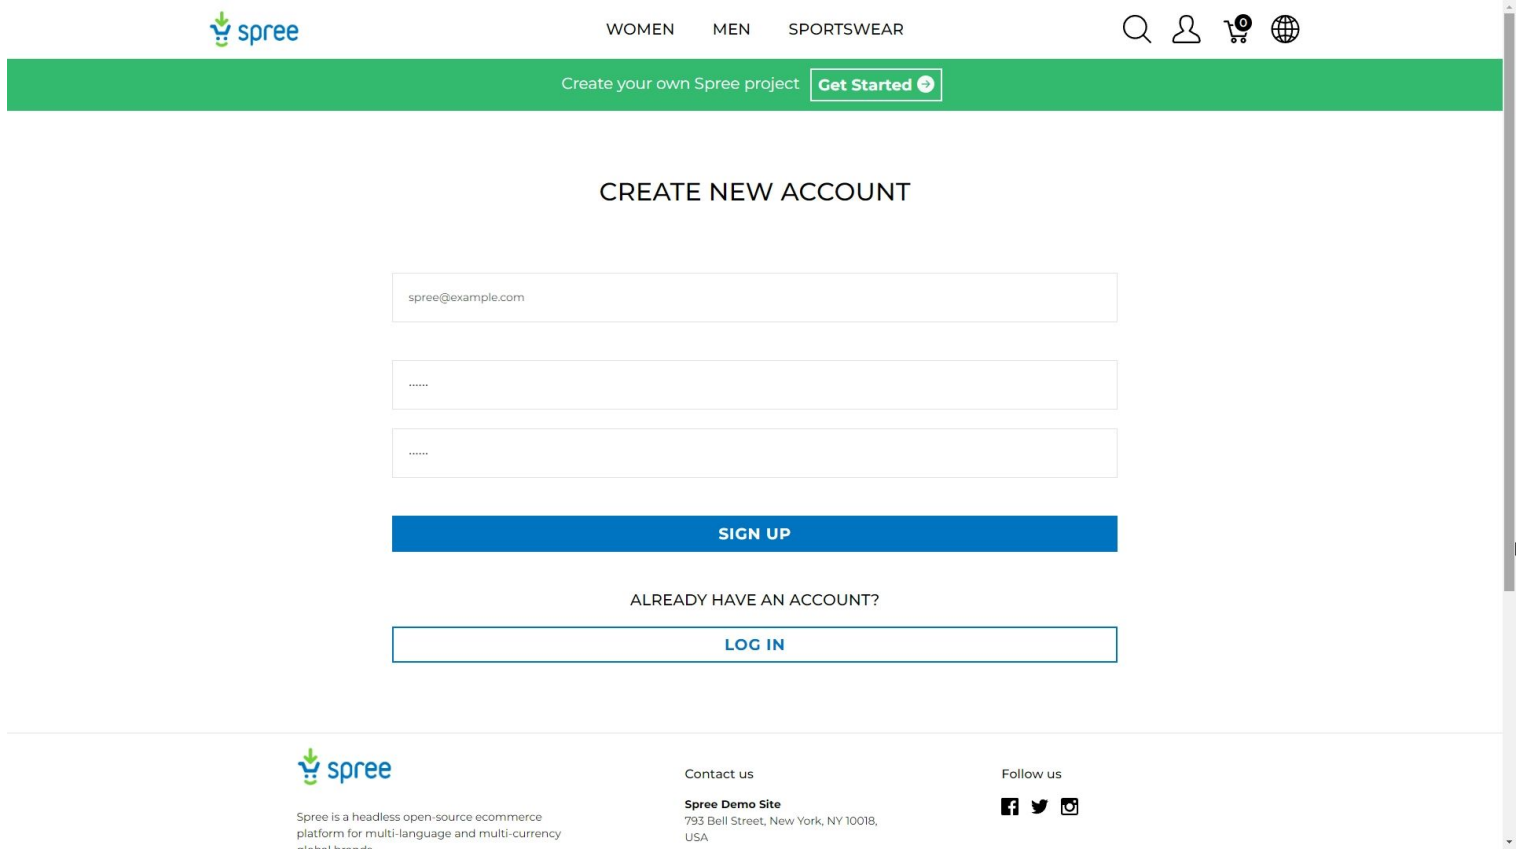

I navigate to the men's category and notice a broken image again.

00:17:32 | Screenshot • Comment

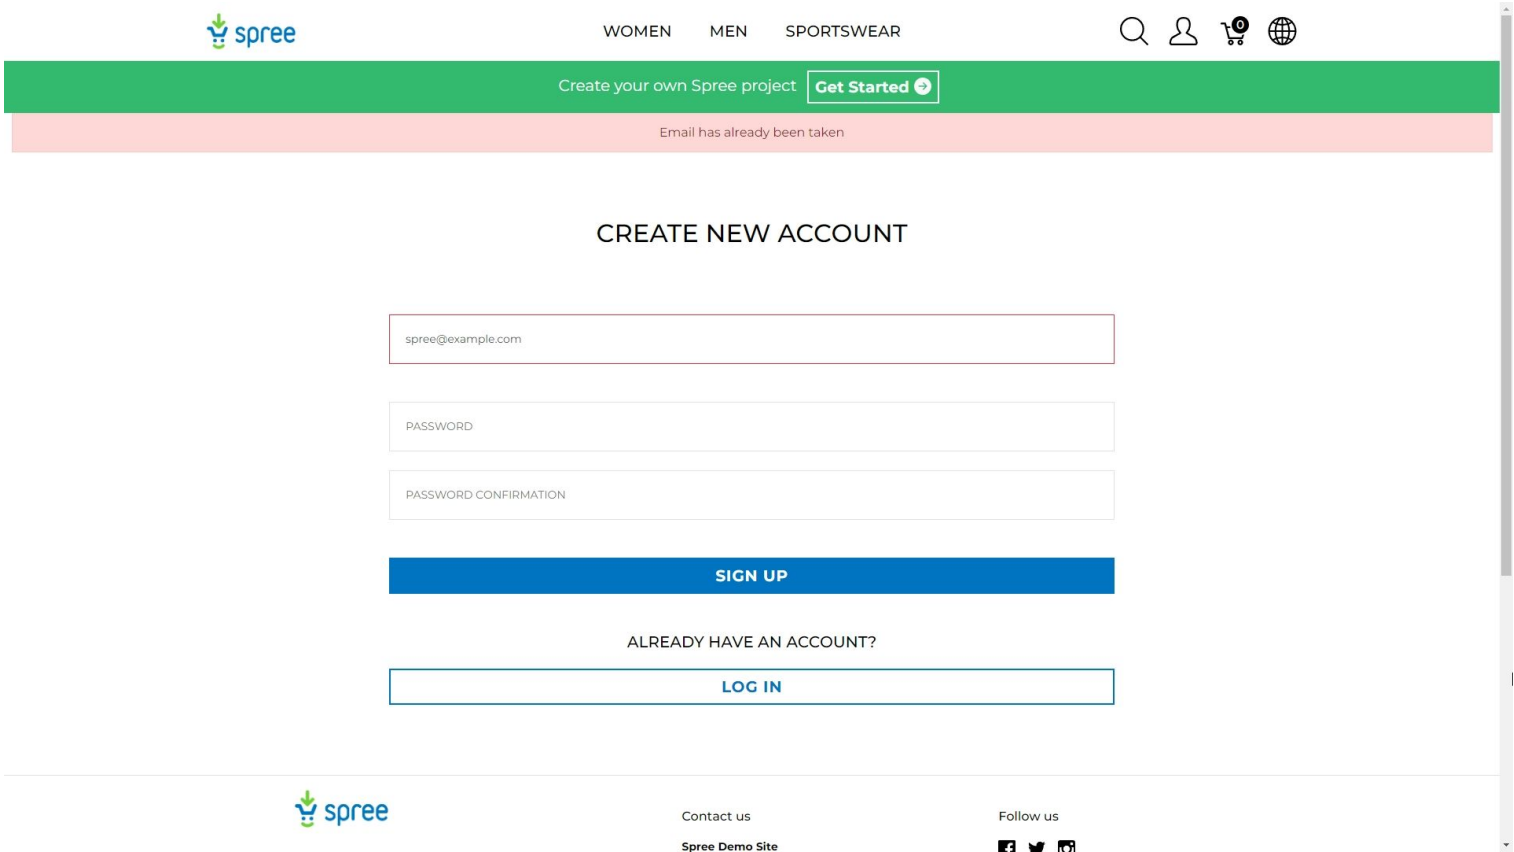

I also check the Sportswear category and there I find a broken image on some of the products.

ABOUT US

MY ACCOUNT

I'm testing the search functionality and I see that after typing "Slim Shirt" I have two results.

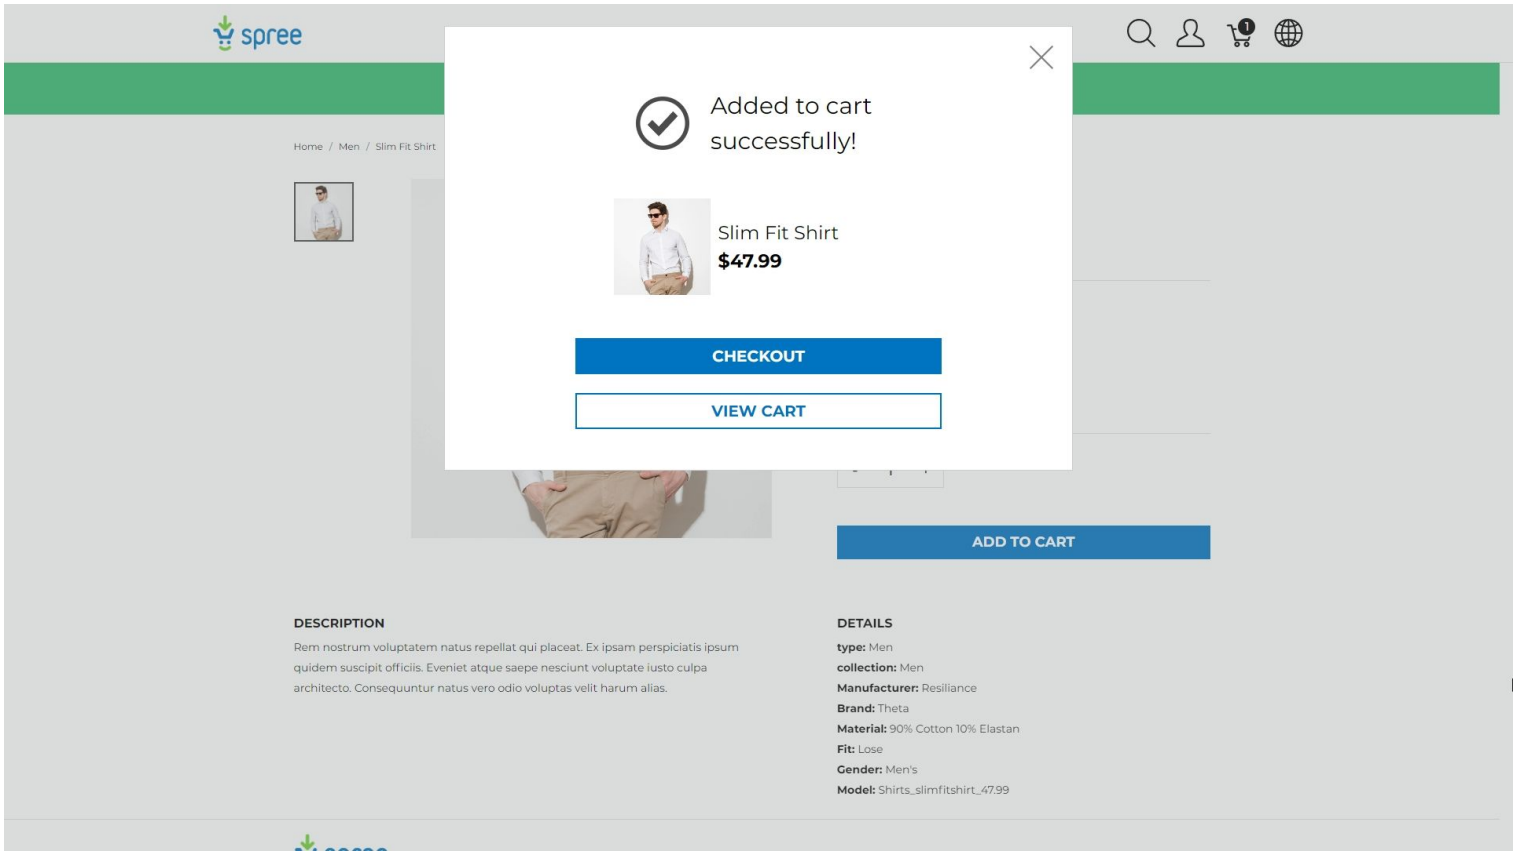

00:43:59 | Screenshot • Comment

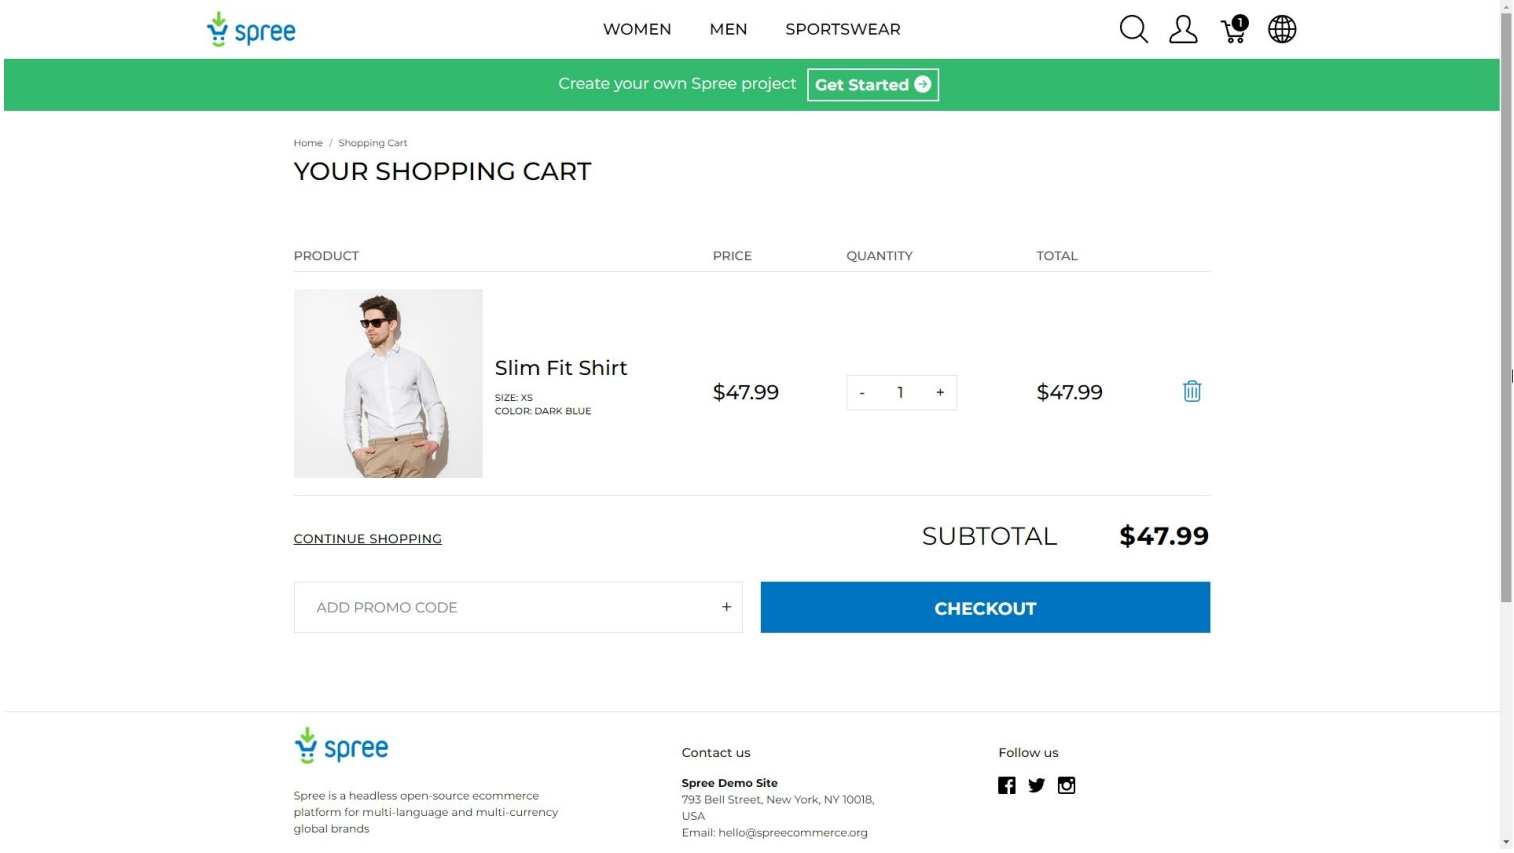

I choose a product and click on it and see that it redirects me to the product details page where I can choose a color, size, quantity.

00:46:40 | Screenshot • Comment

After clicking on the add to card button, a window appears that says the product has been added to the card.

00:49:01 | Screenshot • Comment

After clicking on view cart I am redirected to shopping cart. Here I can check the unit price, quantity and total. I can also delete the product.

I get to the last page where I have two options to choose a payment method.

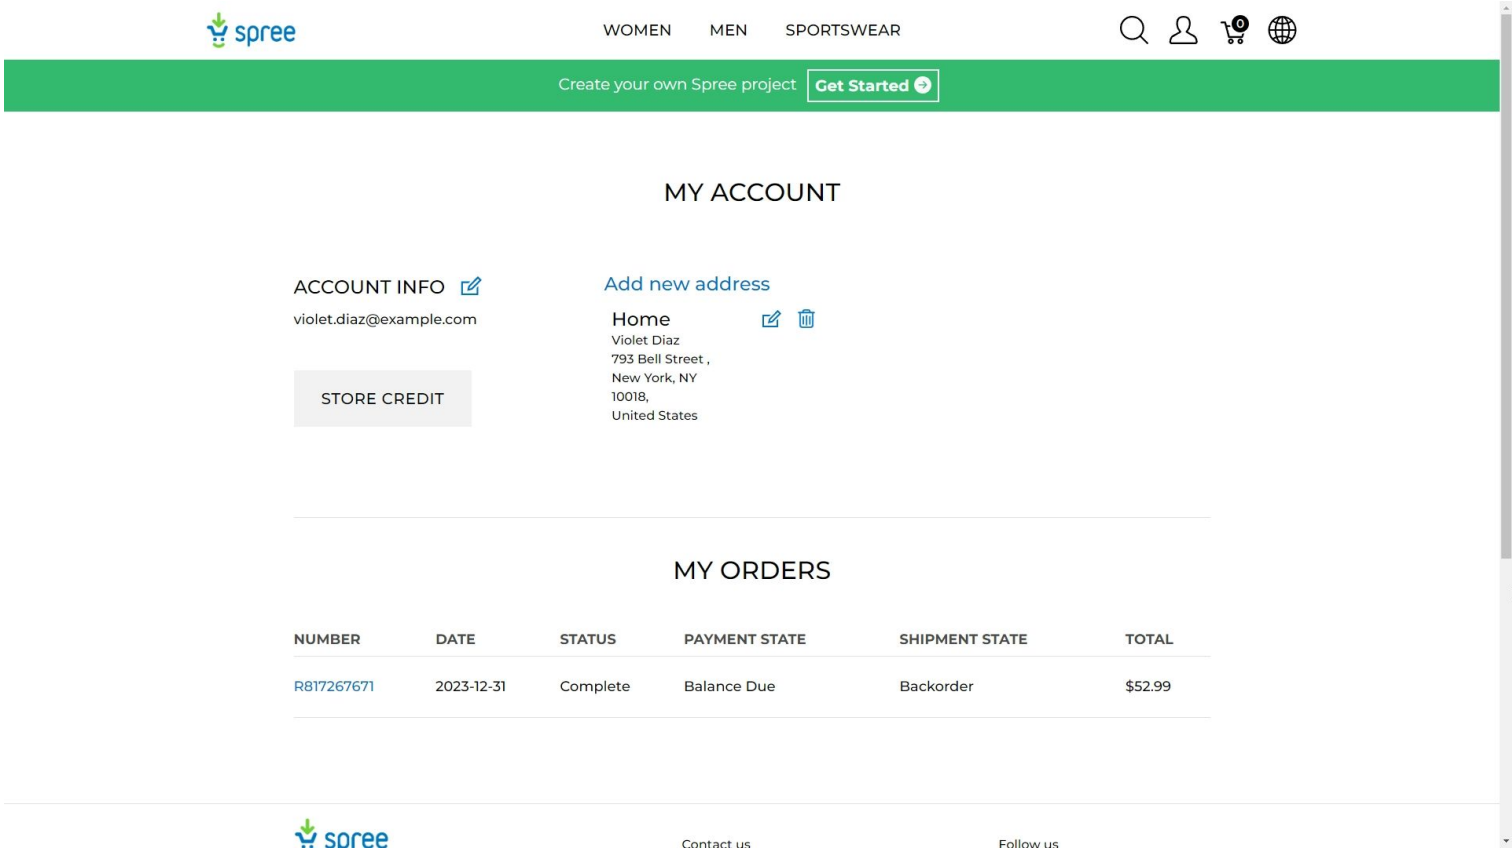

00:59:46 | Screenshot • Comment

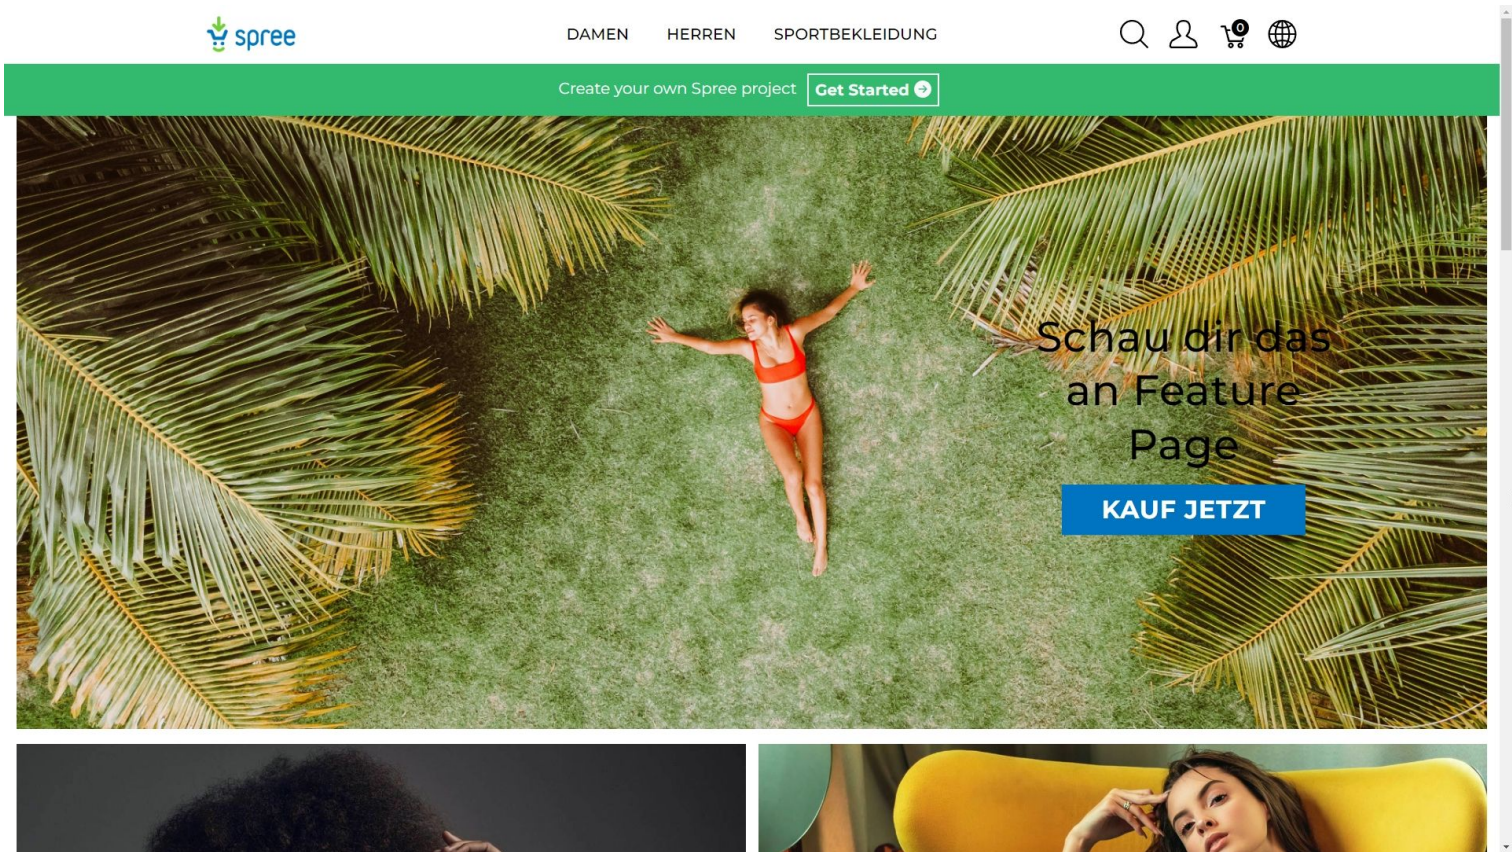

After completing the order, I receive an order number with the date it was made and all the details about the order such as shipping address, billing address, shipping method, payment.

01:05:57 | Screenshot • Comment

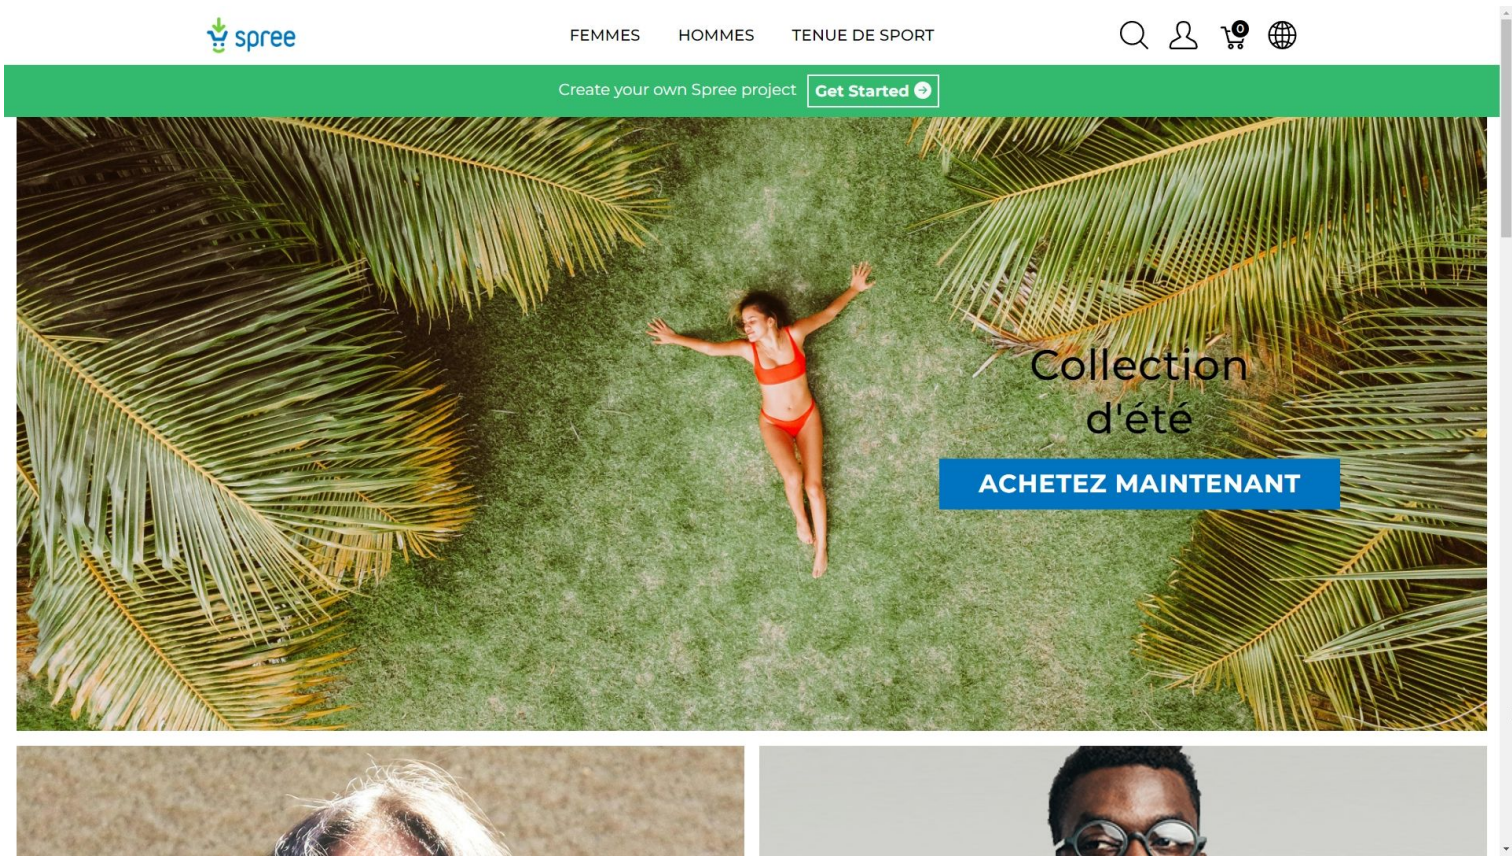

I go back to my account page and the last order that was made can be seen with the status complete. 😊

Change the app language to Deutsch (DE).

**i** Change the application language to French (FR).

**i** I also change the price to be displayed in euros and it works.
